INDEX

Vol. 38

Page

Aho, A. J., and Hormia, M.: Effect of a Mechanical Abdominal Stress on Adrenal Cortex 367

Airaksinen, M. M., Paasonen, M. K., and Peltola, P.: New Aspects in the 5-Hydroxyindoleacetic Acid Excretion after Administration of 5-Hydroxytryptamine in Rats 237

Alha, A. R., and Tamminen, V.: Modification of the ADH-Method in the Determination of Blood Alcohol 121

Alho, A.: Influence of Indolacetic Acid and Tissue Homogenate on the Mitotic Activity of Some Organs of the Rat 71

Antila, L. E.: Replacement of Extrarenal Fluid Loss 65

Björk, H., and Härkönen, M.: Mitotic Activity in the Epithelium of the Small Bronchi of Mice with a High Incidence of Spontaneous Lung Tumours 110

Björk, H., and Härkönen, M.: Mitotic Activity in the Epithelium of the Esophagus, Trachea and Small Bronchi of Two- and Three-month old Mice 288

Boman, K.: Herzfrequenzveränderungen bei schnellen Temperatursprüngen 39

Boman, K.: Afferente Impulse aus der Zunge bei Säure- und Temperatureinwirkung 45

Boman, K.: Das Verhalten der Trigeminusreceptoren bei Temperaturreizen 48

Cantell, K.: Stability of Mumps Virus at +35°C 309

Cantell, K.: Role of Inhibitors in Haemagglutination Behavior of Mumps Virus 317

Castren, O., and Raunio, V.: The Viricidal Action of Ethylene Oxide 16

Forsell, O. M., and Palva, I. P.: Rapid Determination of Urea 293

Grönroos, P.: Occurrence of *Bacterium Anitratum* in Patients in a Central Hospital in Finland 1

Gyllenberg, H., and Niemelä, S.: The Advantage of Incubation in Hydrazoic Acid Containing Air in the Enumeration of Faecal Streptococci by the Membrane Filter Technique 303

Hirvonen, L., Markkanen, T. K., and Keyriläinen, T. O.: Circulatory Response of Cat to Male Fern Substances 100

Hokkanen, E., Taipale, E., Ollila, O., and Nikkilä, E.: Serum Seromucoid Level in Experimental Atherosclerosis Induced by Cholesterol and Low Protein Diet 171

Hopsu, V., and Talanti, S.: Influence of Thyrotrophic Hormone on the Leucine Aminopeptidase Activity in the Thyroid Gland of the Rat 427

Hopsu, V.: Effects of Thioracil Feeding on the Adrenal Medulla of the Rat 432

Page

HOPSU, V., VILJANEN, V., and TALANTI, S.: Effects of Whole-Body X-Irradiation on the Neurosecretory Ganglion Cells in the Supraoptic Nucleus of the Rat 438

JELLISON, W. L., HELMINEN, M., and VINSON, J. W.: Presence of a Pulmonary Fungus in Rodents in Finland 361

JÄNNES, L., KOSUNEN, T., and LEISTI, P.: Two Combined Pertussis-Diphteria-Tetanus Prophylactics 252

JÄNNES, J., and SARIS, N.-E.: The Effect of 4-Deoxypyridoxine on Tryptophan Metabolism in *Escherichia Coli* 442

JÄRNEFELT, J., MIKKOLA, A., and WALTIMO, O.: Isolation of a Particulate Fraction from Pig Aorta 400

JÄRNEFELT, J.: Oxidative Metabolism of a Particulate Fraction from Pig Aorta 407

KAIPAINEN, W. J.: Reducing the Toxicity of Penicillin for Guinea Pigs 30

KAIPAINEN, W. J., and VUORINEN, Y. V.: ABO Blood Groups in Pernicious Anaemia and Pernicious Tapeworm Anaemia 212

KALLIOMÄKI, J. L., HAAHTI, E., and HARRI, J.: Effect of Oral Neomycine Treatment on Blood Lipids and Intestinal Absorption of Vitamin A 140

KALLIOMÄKI, J. L., MARKKANEN, T. K., PIRILÄ, A. M., and TOIVONEN, P.: Pyruvic Acid in the Blood and Synovial Fluid of Patients with Rheumatoid Arthritis 148

KIVIKOSKI, A., PYLKÄS, S., and NÄÄTÄNEN, E.: Effect of Noradrenalin on the Myocardium of Rat 387

KIVIKOSKI, A., GRÖNROOS, M., and NÄÄTÄNEN, E.: Effect of Benzylimidazolin under Audiogenic-Visual Stress Conditions 394

KOSUNEN, T., and HALONEN, P.: Response of Young Mice of Immunised Parents to Tetanus Toxoid 256

KOSUNEN, T., and WASZ-HÖCKERT, O.: Effect of Neomycin on Staphylococcal Infection in Mice 262

KOSUNEN, T.: Experimental Enterococcal Infection in Mice 416

KOSUNEN, T.: Experimental Monilial Infection in Mice 420

KOSUNEN, T.: Determination of the Coagulase Production of Staphylococcus Aureus in Capillary Tubes 424

KÄRKI, N. T., PAASONEN, M. K., and PELTOLA, P.: Factors Influencing the Releace of 5-Hydroxytryptamine from the Rabbit Intestine into the Venous Blood 231

LAMBERG, B-A., and GORDIN, R.: The Urinary Excretion of Radioactive Material 204

LAPINLEIMU, K., and PENTTINEN, K.: Report on Enterovirus Isolations in the State Serum Institute in Finland 465

MARKKANEN, T. K., GRÖNROOS, M., and HIRVONEN, L.: Response of Rat Uterine Muscle to N-Methyl-Glucaminates of Male Fern Extract and Flavaspidic Acid 9

MARKKANEN, T., PULKKINEN, M., and SALMI, H.: Flavaspidic Acid Glucaminate 76

MARKKANEN, T. K., KALLIOMÄKI, J. L., OKA, M., MUSTAKALLIO, E., and BRUMMER, P.: Urinary Excretion of Thiamine, Riboflavin,

Page

Nicotinic Acid, Pantothenic Acid, and Biotine in Anemic and Non-Anemic Carriers of the Fish Tapeworm (Diphyllobothrium Latum) 133

Maekkanen, T. K., Pirilä, A. M., Toivanen, P., and Kalliomäki, J. L.: Pyruvic Acid: its Presence in the Blood, Urine and Gastric Juice of Patients with Peptic Ulcer and Achlorhydria, and in Partially Gastrectomized Patients, and Carriers of the Fish Tapeworm 156

Mattila, M., and Lavikainen, P.: The Mouse Tail Reaction Induced by Morphine and the Sedative Action after Reserpine and Nalorphine 115

Mattila, S.: Agglutination on M. Rhesus Erythrocytes by Human Hepatitis Serum 243

Miettinen, P., and Meurman, L.: Nevus of the Iris as a Cause of Absolute Glaucoma 334

Mustakallio, K. K., Raekallio, E., and Raekallio, J.: Mercurial Inhibition of Succinic Dehydrogenase and Sulfhydryl Groups in Rat Kidney Tubules with a Note on the Effect of Some New Oral Diuretics 21

Mustakallio, K. K., Pitkänen, E., and Nikkilä, E. A.: Diuretics and Quantitative Histoenzymology of Rat Kidney 186

Mustakallio, K. K., Raekallio, J., and Raekallio, E.: The Histochemical Demonstration of Carbonic Anhydrase 247

Mäkinen, E., and Näätänen, E.: Influence of ACTH-hormone on the Development of Arteriosclerosis 338

Mäkinen, L., Kivalo, E., and Tyrkkö, J.: The Effect of Prochlorperazine (Stemetil) on the Rat's Area Postrema 381

Nikkilä, E. A., and Ollila, O.: Effect of Dietary Protein, Methionine, and Choline on Atherosclerosis and Serum and Liver Lipids in Cholesterol-Fed Chickens 162

Nikkilä, E. A., and Ollila, O.: Comparison between the Effects of Pork Fat and Safflower Oil on Serum Lipids and Atherosclerosis in Cholesterol-Fed Chickens 175

Nikkilä, E. A., and Teir, H.: Effects of Long-Term Use of Antidiabetic Sulfonylureas on Thyroid Weight and Arteriosclerosis 182

Paasonen, M. K., Peltola, P., and Vanhakartano, P. A.: The Effect of Reserpine and Neostigmine on the Excretion of 5-Hydroxytryptamine and 5-Hydroxyindoleacetic Acid in Rabbits 220

Paasonen, M. K., and Peltola, P.: The Effect of Methimazole and Potassium Thiocyanate on the 5-Hydroxytryptamine Content of the Rat Thyroid Gland 227

Peltola, P., Paasonen, M. K., and Meurman, L. O.: The Effect of Phenobarbital on the Liver 214

Perttala, Y.: Effect of the Thyroid Hormone on the Uptake of Radiosulphate (S^{35}) by the Aorta in Normal and Cholesterol Fed Cockerels 326

Renkonen, K. O.: The Development of Hemagglutinins in the Seeds of Vicia Gracca 26

Salmi, A., Virtanen, V. K., and Kulonen, E.: Nucleotides and Amino Acids of the Lathyritic Chick Embryos 35

Salminen, A.: Adsorption onto and Elution from Erythrocytes of the Tick-Borne Encephalitis Virus 267

Page

SALMINEN, A.: Removal of Tick-Borne Encephalitis Virus Receptors from Erythrocytes by Extraction with Lipid Solvents 281

SALMINEN, A., RENKONEN, O.-V., and RENKONEN, O.: Nature of Lipid Inhibitors of Tick-Borne Encephalitis Virus Hemagglutination I .. 447

SALMINEN, A., RENKONEN, O.-V., and RENKONEN, O.: Nature of Lipid Inhibitors of Tick-Borne Encephalitis Virus Hemagglutination II 456

SAURAMO, H., REISSELL, P., and BECKER, V.: 5-Hydroxyindole Acetic Acid during Pregnancy and Puerperium, in Newborn Infant's, and Gynaecological Tumors 56

SEPPÄLÄ, P.: Incorporation of Acetate-^{14} C into Skin Components .. 89

SZÓRÁDY, I., VICSAY, M., and OBAL, F.: Effect of Pantothenic Acid on the Acetylcholine Sensitivity of the Isolated Rat Intestine 81

TIILIKAINEN, A.: Incidence of the Gm Serum Groups in Collagen Diseases 51

TIILIKAINEN, A., and MÄKELÄ, O.: Agglutination by Rheumatoid Arthritic Sera of Sheep Red Cells 296

TOIVANEN, P., PIRILÄ, A. M., MARKKANEN, T. K., and KALLIOMÄKI, J. L.: Pyruvicemia after Myocardial Infarction 153

TOIVANEN, P., HULKKO, S., and NÄÄTÄNEN, E.: Effect of Psychic Stress and Certain Hormone Factors on the Healing of Wounds in Rats .. 343

TOMMILA, V.: Effect of Influenza Antisera on the Enzymatic Action of Five Influenza A Viruses 350

VALTONEN, V., CALONIUS, P. E. B., and RENKONEN, K. O.: The Natural Cleaning of the Teeth Surfaces 59

VARTIO, T.: Proteolytic Enzymes of Synovial Fluid 94

VARTIO, T., and MERONEN, R.: Clinical Evaluation of a Serum Trypsin Determination Method in Pancreatic Disease 413

WARIS, E., BECKER, V., HALME, A., and HÄLLSTRÖM, K.: Effect of Sauna Bath on Quick's Prothrombin Time 355

VIRTAMA, P.: Variations in the Ash Contents of Bones of the Extremities 127

VIRTAMA, P., KAJANOJA, P., HOPSU, V. K., and TELKKÄ, A.: Density of Human Carpal, Metacarpal, and Digital Bones 467

Suppl. 1

SIROLA, K.: Regeneration of Defects in the Calvaria. An Experimental Study.

Suppl. 2

BACKMAN, A.: The Influence of Induced Hyperthyroidism on Experimental Tuberculosis in Mice.

Suppl. 3

MÄKELÄ, P.: Studies on Staphylococcus Aureus in Helsinki. The Distribution of Phage Types and Antibiograms, and Their Association with Certain other Characteristics.

Suppl. 4

JANSSON, E.: Ornithosis in Helsinki and some other Localities in Finland. A Serological and Clinical Study.
